George's Secret Key to the Universe Lucy Hawking, Stephen Hawking

Take a roller-coaster ride through the vastness of space! In the midst of an exciting adventure, discover the mysteries of physics, science, and the universe along with George and his new friends next door, the scientist Eric and his daughter, Annie, as well as a super-intelligent computer called Cosmos. The computer can take them to the edge of a black hole and back again. Or can it? And who else would like to get their hands on Cosmos? This is a funny and hugely informative romp through space, time, and the universe.
